Director's Club Weekend  
March 24-26, 2023

*A Note on Travel:* San Antonio International Airport (SAT) is the airport closest to the Omni hotel, although you may find that it has fewer direction flight options. As an alternative, we recommend that you fly to Austin-Bergstrom International Airport (AUS). From the airport in Austin, it is only a 50-minute drive to the hotel. If you choose this option, we will provide transportation to accommodate your travel to and from San Antonio. All local transportation in San Antonio will also be provided.
